## ***Vision***

A healthy and prosperous planet, and people (HP<sup>3</sup>).

## ***Mission***

To partner with communities, governments, enterprises and other institutions to alleviate poverty, build healthy environment, and secure livelihood for all.

## ***Core Values***

Openness, integrity, collaboration, courage, respect, and diversity

## ***Value Proposition***

Enhance income, reduce inequity and improve environment.

## ***Context***

Life is at peril because of climate change, growing social inequity, and unsustainable consumption. We are part of the global good that seeks to restore balance between what nature provides us and what everyone needs to live a meaningful, dignified life.
